Quick Note	<p><u>About the ASBO</u> The Asbo Says illegal raves and I went to court with my case prepared to defend this illegal allegation, the prosecution could not prove an illegal aspect and the case should have got thrown out but did not. I was never arrested for this allegation and never had an interview or fair investigation.</p> <p>The maximum sentence is two and a half months and I received? Because of the Asbo and other issues such as Errors in my PNC files that I and my mother complained about that I have included the relevant emails also for below in this table in date order, we requested the 2021 Acro report to see if the Asbo had been taken out as it must. In our finding we can say yes, it has because in the 2017's copy of the Acro report the Abo is present, as the below snip-out proves and in 2021 it is absinth.</p> <p>Snip-out Other Information / 2017 Acro =</p> <p>Report 1 Class: CRIMINAL BEHAVIOUR ORDER</p>

	<p> Issued At: WOOD GREEN CROWN CRT For: CRIMINAL BEHAVIOUR ORDER Power: CONRARREST (CONDITIONAL ARREST) FS Ref.: 01 (METROPOLITAN POLICE) Case Papers: 01YE End Date: 03/08/20 Condition 1: MUST NOT BE CONCERNED IN THE ORGANISATION OF A RAVE AS DEFINED BY S.63(1) OR S63(1A) OF THE CRIMINAL JUSTICE AND PUBLIC ORDER ACT 1994 Condition 2: KNOWINGLY USE OR SUPPLY PROPERTY, PERSONAL OR OTHERWISE, FOR USE IN A RAVE AS DEFINED BY S.63 (1) OF THE CRIMINAL JUSTICE AND PUBLIC ORDER ACT 1994 Condition 3: ENTER OR REMAIN IN ANY DISUSED OR ABANDONED BUILDING UNLESS INVITED TO DO SO IN WRITING BY A REGISTERED CHARITABLE ORGANISATION OR LOCAL AUTHORITY OR OWNER OF THE PREMISES Condition 4: PROVIDE ANY SERVICE IN RESPECT OF ANY LICENSABLE ACTIVITY IN AN UNLICENSED PREMISES Condition 5: ENTER ANY NON-RESIDENTIAL PRIVATE PROPERTY (BY WHICH WORDS BUILDINGS AND AN OPEN ENCLOSED AND ARE INTENDED TO BE INDIVIDUAL) OR AN INDUSTRIAL ESTATE BETWEEN THE HOURS OF 22:00 AND 07:00 Condition 6: WITHOUT WRITTEN PERMISSIONS FROM THE OWNER AND AN LEASEHOLDER OF SUCH PROPERTY. IF YOU CAN DEMONSTRATE THAT THE PURPOSE OF YOUR ENTRY OF SUCH PROPERTY IS TO PURCHASE GOODS OR SERVICES </p> <p> The condition got changed when I was not at the at the court nor was my solicitor or any other representation for myself. This was done at the appeal trial and due to the judge changing his honored word. A couple of days before the 1st trial date of the appeal at Wood Green Crown Court my solicitor tried to dismiss me as her client, she asked the judge when I was there, he asked me how I felt about this, and I gave more than good enough reason for her not to be able to leave, the Judge agreed with me, and I keep the same firm. He put conditions down that the firm cannot leave me </p>
--	---

unless Michael Carroll the director comes to court himself and explains with good reason to why he would want to do so, a new trial date got set for months latter again.

The day before the next trial we all had to attend court for a preliminary hearing to make sure all was set for the next day, I and my mother were both at the court in good time as the doors opened to the public. We waited outside the court room for quite some time until we got called into the courtroom by the Ashur.

The Judge told me that I will not have a solicitor for my trial the next day as he has allowed her to leave as she no longer wanted to represent me. I asked the Judge about his order from the prior time when this happened before and if Michael Carrol attended and he told me no. The judge explained that if I can't get a solicitor by the next day, I must act for myself, or he will find my guilty in my absinth.

My mother and I found another solicitor firm and attend to the appeal the next day. My new solicitor asked for an extension of time as he does not know anything about the case and it had been going on for some time making the files very large in size the judge bullied the new solicitor and told him no the new solicitor explained that he would not be able to have my best interests in heart without the extension of time but the Judge was adamant in his order, my solicitor asked the judge for 5 minutes so, he could telephone his company partners for a decision and after a while the court started again, and he could no longer Act on my behalf.

My mother would not let me attend court for the trial the next day but what she did do was request a copy of the Court transcribes as she did also, in the Magistrates Courts. When the transcribes arrived the courts had missed the first day out of when my new solicitor attended but added the days I could not go. This is when my bail Conditions were changed but no person afterwards would ever explain what had gotten changed.

It is also, when Sally Gilchrist the Legal Director for Scotland Yard who represents the whole of the United Kingdom and Wales as the Legal Governor, who was my case handler through the whole-time scale of the Asbo personally.

She attended all court cases with the prosecutor and other staff and on the appeal trial date when I was not present in the transcribes admits that there are

no victims or any person who would sign a statement or attend court and continued to explain how she based all the evidence in the whole Asbo case on the forged Police Cads what is against the law.
When the Judge changed the conditions, he states as I can read that the past conditions were a breach of my Human Rights as I and my mother had been complaining about from the start of proceedings and not that the below made them much better.
One more thing to say, the transcribes for the appeal stage do not make much for sense, when trying to read. I have updated them on in the server at Please read after going through this document first. They are under Asbo or at the bottom of all the tables.

I had been getting my Human Rights violated by cruel malicious treatment that the government allowed to continue and took apart in against I while knowing that I was an innocent person in all claims set about myself.

The government officials created mutable forged court application to infringe my legal rights and deprive me of my way of life.

The Mathiyalagan family who lived above me who had been assaulting me mentally causing physical and mental harm need to cover up with the council that I and my mother had reported them for their illegal activities set against my person.

A. Asbo - the police and Enfield Council wanted to cover up that they had forged this application as the truth highlights horrific corruption, so, they abused their positions to prevent me from unrevealing to the public all that I could prove.

My name

B. 1ST Possession Order – this possession order became a knock-on effect, that got caused by apart of what the government officials who forged the Abo had achieved by darkening my name.

The corrupt official’s outcome had turned my neighbors against myself & due to my mother and I complaining about what was being allowed to continue against my free will the council and police override the correct decisions to protect me and collaborated with who I and my mother had been complaining about, Members of my neighbors alongside themselves.

They created forged accusations and filed them in Government Computer systems as files against myself while applying for illegal court applications that I and my mother could prove beyond reasonable doubt were not true.

The Enfield Council officials who took apart met and conspired with members of my neighbors at meetings in their offices and at neighbors' houses in a criminal plot against I to cover up their past illegal activities with members of the Metropolitan police in creating the Asbo and for allowing my neighbors then afterwards to attack me due to rumors that was getting spread about my name.

The Criminal Plot –

Because I was trying to reveal

and by doing so, they all involved would go to prison for more than a lengthy period.

The 1st possession had to get served in a few different stages by law.

The 1st is the Council

It never got taken back to court as I disputed the allegations contained inside of the context of the application.

I also, never did get served and because I telephoned the case developer who was also the case handler who worked for the Enfield Council, our conversation made him and his team colleges aware of vital errors that they had created when forging the application.

While on the phone to Lemmy “Telephone conversations recorded”

In the end of the 1st Possession Order

C. Injunction Order.

Got Forged then another Injunction Order got forged while mine and my mother's complaints were not treated in accordance with the laws or regulations to which it is mandatory for them to be governed. I continued to get assaulted.

On this day **15/03/18**

I did not want to leave my flat due to the forged applications that had been put against me and because of my name getting abused without my legal consent.

But I still had to go to the shop to get some essentials.

I looked in my hallway to make sure that no neighbors who had been attacking me or set up the forged applications with the council and police officers help were present. I got to the shop safe and on my way back I must cut across my estate's car park, when doing so, I looked and could see Markandu Mathiyalagan and his wife waiting in the car park with their children present next to their car.

I decided to walk past them and just get back into my house so, I could win the case they had brought against me, as I walked past Markandu Mathiyalagan got his mobile phone out and decided to start to record me. I thought of it as a cheap trick that won't full me and I just walked straight past him and his family.

I Got to the entrance of my building by doing as I intended. And appeared around me to see the Mathiyalagan family in their car driving past with Miss Mathiyalagan in the passenger seat with a mobile phone up to her side window and still as if it was on video record and recoding myself. I turned around and started to look with my right hand in my pockets for my keys with my shopping from the shops to which I had just been still in my left hand. I heard a loud voice shout at me from the other side of the road to where I was standing before I could open my community front door. I quickly re analysed my surroundings and noticed the Mathiyalagan's car parked of the side road leading out of the estate and him across the road trying to wind me up with his phone still in his hand. I looked around and see his wife and child still in the car, I then next put my shopping on the floor outside of my door and walked toward this strange man.

I knew what he done to me and the history behind we since the date he became a unsecure tenant who occupies a flat in the same block of flats where I live inside of as a secure tenant.

As I got to the carb of the same side of road that my flats are located on, I noticed Mr. Mathiyalagan while on the other side of the road run towards his car and open the boot of his car, he then proceeded to take a meatal object out of the boot in an aggressive manner which I now know to be a meatal pole. I choose not to show that his actions would leave me scared in my own home of him and to stand out what he was doing as he then on run at me with his metal pole in his hand to assault me even further.

This led to me having to protect myself.

How things got worse.

Across the road from the block of flats were I and the Mathiyalagan family lived is a nice home which is a house, and this home always has one of the nicest cars on the estate parked outside of it that gets taken to car shows.

Back to the scene

Mr. Mathiyalagan came at me with his choose to weapon a metal pole, so, I first moved out of the way, but he was determined to get one over on me I could tell by his besotted eyes that raged with anger and hatred at me as he stared to lash his metal pole around in his hand trying to make physical contact with me.

I made a mistake while avoiding the estranged man with his metal pole, before I realized I had gone to close to the nice car. I heard a noise and by that time it was too late the Mathiyalagan had hit the car with his long metal pole and damaged it

I shouted at him about what he had done but this was not enough to stop him.

I crept around the now damaged car and got to the owner's front door and knock on it and as soon as I had done this I had to quickly move away as the Mathiyalagan was coming with his pole again. I can remember myself shouting aloud look what you have done to the car as I moved away from him.

Know person came to the front door and the Mathiyalagan got closer and closer with his swinging of the metal pole to my body.

I decided enough is enough and I need to disarm this man before he does some real damage.

This will all get updated in the diary and I will explain the rest of what happened.

Dear Mr. Dear Forster

Could you please put this email in front of the legal adviser, the alleged erroneous entries on my PNC as you have put it, are made up from the court as the police would not be able to put records on a person's PNC record without a case being put in front of the courts.

My Mother has asked the court to check all the registries at the court against the records the police hold on my PNC record. This showed the errors and as you said to my mother at the court if a case is not listed at the court, then it was never heard at the court. There are 5 errors of no listing on my PNC that the court does not have in the court register how can this be?

My mother has been to the police who do not want to address this issue therefore she came to the court as the court should hold all records.

By the legal adviser not wanting to write a letter showing my records have been checked by the court what is this saying. why should a person be able to ask the court to check their records, yet the court does not want to get involved in errors they found? This is a miscarriage of justice; the court has not found records in the court registries that are on my PNC record, yet the court does not want to do anything about it.

Regards

Simon Cordell

Dear Benedicta Odjida

Mr Simon Paul Cordell DOB 26/01/1981

I am writing this Email due to some work you carry out in February/March 2014 regarding looking up records that are on my PNC record.

There was a list that took some time for you to go over, and then my mother Lorraine Cordell came to the court to pick them up once you had looked every up.

Since this time, we have been trying to get this addressed as there were a number that was not in the court record, you gave my mother a printout that you had done with stars on the ones that was not in the courts register, please see attached document.

Since this time, we have been dealing with Flo at Highbury Corner court to get a letter done by you to say you did in fact look at the court register and did not find these records on the court register.

My Mother and I have sent many emails to Highbury Corner Court and have gone to the court and spoke with Flo and we see to not be able to get this issue addressed.

Therefore my mother came to Enfield court on the 15/09/2015 to see if she could speak to you, but you were on leave so she asked for your direct email, I am writing this email directly to you to see if this issue can be addressed and a letter written saying you looked at the courts registers and did not find the ones marked on the list you gave my mother. As it seems the printout you gave her is not enough and it does need a court headed letter to show in fact the work that you carried out looking into my data the court holds.

Could you please investigate this issue and let me know if a court headed letter can be made up and if so, my mother Lorraine Cordell could come to the court and pick it up, if you could let me know by replying to this email, I would be most grateful.

Regards

Simon Cordell

Mr. Simon Paul Cordell 109 Burncroft Road Enfield Middlesex EN3 7JQ 18/02/2014</p>

To Whom It May Concern:

I am writing this email as I have an ongoing case at Woolwich Crown Court, and I have noticed some errors in my PNC record which the police printed of at around 25/06/2013.

I would be very grateful if you can pull up the following records so I can check them with the PNC the police printed off for the case that is ongoing at Woolwich Crown Court, I have been told I will need a Memorandum of conviction or the transcript for the case.

I do know there are some errors on the cases that was heard at Enfield Magistrates and can see them clearly, but due to how far they go back cannot remember some of the cases. I do also know some are correct but due to some dates being wrong on some of the ones I can see errors in I would like to check all the cases on the PNC that was heard at Enfield Magistrates.

If this can be done as a matter of urgency due to the impact this is having on my life with the case that is ongoing at Woolwich Crown Court and my bail and other issues.

If the information could be emailed to me, I would be grateful as I am next in court on March 2014 and would like this information of any errors so I can show the judge.

Please see below the lists of cases I would like information on.

Ketamine

I went to a festival when I was much younger, and I had a Noz Bottle or more with me. I was giving away balloons when a young gentleman came up to me and he asked me if I would give him as many balloons as possible for some Ketamine and he had no money on him. I explained to him that I do not take the stuff or neither do I sell stuff like that. He decided to stay with me for a while and get to know me a bit better, "Lol." After a little while I gave him what he wanted and put the wrap in my money bag, "Not lol." The day went on and it came to a stage where I needed to go get something so, I left the bottle with my friend. While I was walking a police officer, officer taped me on the shoulder and asked me if I had anything that I should not on me I told him no, but he still wanted to search me. We went to a site tent and the police office asked me to search my money bag. I gave it to him happily thinking all was "OK," when he emptied the bag the wrap the gentlemen earlier had given me dropped into the tray. I got arrested and then latter released and went to court. End of story.
