Dear Ann

I hope you are well. I am writing further to your e-mail to Cllr Bliss, below.

I am pleased to see that since we met some months ago you've made such good progress with this project.

I am happy to confirm the council's support in principle for this project.

This support is in the council's capacity as land owner and is not given in the council's capacity as local planning authority. The support is also subject to further detailed discussions as matters progress.

Please can you keep me informed of progress as the project develops?

Kind regards

Jeremy Chambers  
Head of Strategic Projects

Dear Robert,

In the next few days we are hoping to go to planning with our project. for this and to go for funding we also need to have permission to use the land both for the Arch and the Visitor Centre. Would it please be possible for such a letter to be sent to us confirming this permission.

The Radnor Estate will also be contacted for permission.

Kind regards,

Ann
