Chapter 15 **To get updated still**

I have got told before, of people saying that everyone who looks into history will find a secret sooner or later, the older nephew / or the son of the Mathiyalagan Markandu's family, is that portrayed dark secret. The guardians achieved this dark secret by saying lies on a numerous, amount, off different occasions to me. They further together knew they were being deceitful in doing so and in turn immorally declared wrongful truths to support their cover up against what they imposed against my person. Together Mr Markandu Mathiyalagan and his wife Revathy Mathiyalagan managed these lies to me by claiming the nephew - son never lived with them, at 117 Burncroft Avenue, as did he, "the nephew / son and there lies were said and then officially documented to help them evade justice." The older Mathiyalagan Markandu's nephew son WHO IS NOW NAMED AS Kanathran Thevasara, himself claimed to me that he lived in another flat supposedly to have got contained in the same block of flats as I live within. When describing some more about where he had explained to me that he lived I would say that the block of flat that we all reside in have two properties on each floor and is a three-story high rise building without any rear exit to which Kanathran Thevasara explained to me that he lives on the third floor. Each two flats sharing contained on the same landing share a small hall way with both properties on the same floor having their front doors face one and other and this prosiest with about an eight-foot gap between them. In the year of **2012** when the Markandu's family moved into Burncroft Avenue, we never really saw each other so to speak and get to no one and other but I suspected that he could see into my life and see my good ambitions and hardworking commitments turning into a reality for me and the people revolved around my life.

Chapter 16

Introducing the first time that I spoke to Mr. Markandu Mathiyalagan: --

For me to explain to any other person the first time that I did met the Mathiyalagan family, so, to speak to each other I would explain on this day I was driving back home and just pulled up in the Housing estates community car park car outside my flat. I remember parking on the roadside bend what is just opposite the first car park in Burncroft Avenue Enfield, when after parking and locking my central locking as I walked back into my home, I noticed a man whom just moved into the flat above, the flat above I refer to is addressed 117 Burncroft Avenue. He was being held by the collar of his own brown leather jacket, this was being done by a person I do not have much contact with but do no I accept this person to be a long time next door neighbour, on taking a more conclusive approach to the ongoing I found myself presented within, the next-door neighbour wanted to punch the new neighbour Mathiyalagan in the face for some reason not known to me. I knew this to be no business of my own, but due to it being an issue on the estate, to where I live, I got involved in a civilized manner and neutralize the problem, I clearly remember not asking the both of them what their issue (s) was about and explained that the young gentlemen could not hit Mathiyalagan Markandu in the face, the reason I gave was as he and his family were new residents moved into the same bloke that I live in and he is also an adult to us both, in short we must respect our adults, the young gentlemen followed my advice and then release him by the scruff of his collar, every person then after continued along in their day and to my understanding with no other further problems, I never did

	<p>speak to Mathiyalagan Markandu until months later but if I was to make an assumption I would say that if we did come across each other in the block we would have spoken to each other just a little and also say hello to each other. The information I have provided this far is too just to name a few of the people that made themselves, be involved in my life, in a horrifying way.</p>

11/02/2014	The level of service provided by the Enfield Home and the Enfield Council departments when I deal with them is terrible, and in my case, I get disadvantage because of the neglect and. Intentional infliction of emotional distress that I get opposed towards by their staff! It is truly tragic that the Enfield Councils and the Enfield Homes inclusive of the Metropolitan constabulary left the occupiers of 117 Burncroft Avenue without any form of support in regards to their Child's protection when I notified them of my concerns and video evidence of the legal guardians consecutive while amoral behaviour of criminal attempts, as for the child protection Act 1989 states that in section 27 of that act it requires all local authority as a must to assist in the protection of children, since the young child's birth the child legal mother and father have provoked a Critical emergency needed for the Mental stability of themselves to get questioned as for the complete absinth of the disregard for life itself, as the Article 2 of the human Right Act 1998 explains within its context, as I am Confident that the child is in danger alongside many of my other witness towards the child's legal guardians stability and Mental stability. The overseeing authorities should have contacted the Social Services the earliest opportunity in pursuit of the Social Workers Act 1981!

17/02/2019	Mother see some new people in the flat of 117 she told me when she came into my flat! After she left, I went up the stairs to see if this was true and to say hello to the new tenants. When I got to the top floor I noticed that the front door was open and I could smell paint I noticed two decorators in the flat and said hello to them both, they were both polite, had my mother not told me about seeing people in the flat I would have not even known that they were even there. I asked them both if they were contracted to also repair the floor boards and they replied no.

	I asked them if they council speak to John Iron about getting the floor fixed before any other persons got moved int the premises the both agreed to do so. We all said good bye to each other and I left them to finish their work.
