

interviewed

Simon maintains that he is not in need of any mental health follow up or treatment.

he doesn't think he suffers with any kind of illness and will not accept any treatment

I asked him about the 'second opinion' he mentioned yesterday to the assessing team, he told me they had misunderstood him and that he meant he would seek a second opinion if he was detained under a section 3.

I asked him if he would see a community psychiatrist-he said that he would not

I asked if he would see his CC Soobah, he said he would not

he has agreed to the nursing staff contacting him after his discharge.

Plan

-discharge from section and discharge home

-n/staff to carry out 7 day f/u

-I will inform the CC

in the light of his not being detained on a section 3 I see no reason for him to remain on an acute psychiatric ward as we are unable to treat him.

he has requested a 'second opinion' I have no doubt that this will not change his view, he has seen many doctors over the last few years, all of whom have thought there is mental disorder, yet he still disagrees.

I have emailed his CC about arranging an outpatient consultant review

I have also emailed the forensic consultant regarding an outpatient forensic opinion

I spoke with PC Tom yesterday, 07506523950. the police intend on charging him with assault. I have told the PC that we will discharge him later today.

CC will need to do 7 day f/u.
