Formulation

Mr Cordell is currently arrested at Edmonton police station this afternoon. According to police reports an allegation was made by Mr Cordell neighbour that Mr Cordell went outside, dragged a moped bicycle behind a van and smashed it. Therefore he was arrested and he was also due to attend to a bail return today this afternoon.

Mr Cordell is currently under the care of Enfield early intervention team based at Lucas house and he has a care coordinator called Goodie. Mr Cordell currently has diagnoses of unspecified non organic psychosis. He was admitted to St Ann's hospital under section 2 of the MHA in August. He was discharged from hospital 2 weeks ago. He has been prescribed anti psychosis medication but has refused to comply with his medication. Mr Cordell believes that he does not suffer from mental illness.

On presentation in custody.

He was appropriate dressed with good personal hygiene. He engaged with me for over 30 minutes. He expressed some strange ideas about his neighbours are jealous of him been in a newspaper about him organising illegal parties. He also spoke lengthy about a website he built and people are using the website to advertise Their business and to raise funds for charities. He has express conspiracy theories about the police and authorities. His care coordinator told me that Mr Cordell has always expresses conspiracy theories.

Mr Cordell denied any thoughts or intentions to harm himself and others. He also denies any knowledge about the incident he is arrested for.

He denied hearing voices or seeing strange things.

Mr Cordell appears stable in his mental state and does not require any further assessment or admission at this stage.
