*** YE PPD ***

This report was initially bragged as Green by the PPD. Adults

The Care Act 2014 states there is a duty to undertake the safeguarding of adults where a local authority has reasonable cause to suspect that an adult in its area has need of care and support, or is experiencing, or is at risk of, abuse or neglect, and is unable to protect himself or herself against the abuse or neglect or the risk of it. The need to safeguard and promote the welfare; along with protecting a vulnerable subject is paramount and I believe in keeping with the directions in the Care Act 2014, the health, safety and wellbeing of the subject outweighs the public interest risk of not sharing this information

IF NO CONSENT/UNABLE TO CONSENT:

~~~~~  
Because of the incident, I have considered the following;

1. The individuals need for care and support including mental health
2. The individuals vulnerability to abuse or neglect
3. The individuals ability to protect themselves, the impact on the individual and their wishes, and
4. The risk of repeated or increasingly serious acts involving children, this or another adult vulnerable to abuse or neglect.

The intelligence gathered has led me to the decision that I am over riding consent and share with Social care for their intervention or allocation.
