To Whom It May Concern:

I am writing this letter to say that I have been helping my son Mr Simon Cordell with Money to live on for food etc.

This was going on from the last year December 2006 until the end March 2007 as they stopped his benefits and what else could I do, I could not see him suffer with no food etc to live on, I am also on benefits and find it hard to live myself let alone trying to support my son. At one time not even, I was getting benefits so my mum was helping both of us out and she does not have a lot of money is old and has a mental health issues. The reason they stopped my sons' benefit was because they messed his claim up this was sorted in March 2007 so he started to get his benefit back from that date and the backdated claim is still going though.

At this time now my son is in hospital as he is very ill and they are running tests to find out what is wrong with him.

Many Thanks

Miss L Cordell
