When to my unexpected attention I received a phone call on my personal mobile telephone. When I asked whom the caller was I received a name of a gentleman who claimed the name of Goody and the occupation of this gentleman is an amp Mental health worker, the nature of the reason given for the call was proclaimed to be about the appoint that was previously arranged months prior with my personal GP as dated above. I clearly remember when speaking to Goodies on the phone that of an appointment being pre arranged at my own home address, as also noted above in this document.

The meeting started to take place once I had asked every person to make them self's feel at home, the meeting started to initialise and I found myself and goodies conversation started to lead towards what I had been up to prior to the visit, I explained that I was in the process of establishing my own company.

Once the meeting had started, we all started to settle into conversation within the average time duration of 5 minutes, the ladies phone who's name is Sandra started to ring she then asked every person, if she can quickly answer the call, as she answered her phone she walked into my front entrance corridor, myself and goodie continued to chat about positive things that I had been applying my time to, when Sandra walked back into the room after finishing her call, she asked if the meeting can be stopped, as she had to leave due to her telephone conversation. Goodie explained to myself that he was happy with my mental heath assessment and that he was going away on holiday for four weeks and that he would like to have a follow up meeting once he
