

Sam: If you could slow down because it would also show us that ability to be calm because that would make us be able to understand your mental Health at the moment.

Mother: Yes, but he does speak fast.

Sam: He always speaks very so this is Simon's usually personality. **Mother:** Yes, he speaks fast.

Simon: I might be a bit happier in general.

Sam: Yes, this is a difficult situation right now I appreciate that right now.

Simon: What is a difficult situation right now?

Sam: The Mental Health assessment.

Simon: The only difficult situation is the that this is being pared off on to me in such a way, when I am sitting here right now every day working my hardest righting files to look after every other member of the public and I am being treated differently I am an equal to your self's and we are all equals.

Doctor: We can understand all that we can understand all of that, but there Is concern raised about you that is why we are here, to assess the situation to see how and if you need any help or if we could offer any help, that is the reason why we are here.

Sam: How is your sleep at the moment?

Sam: Sorry to interrupt you Doctor.

Doctor xxx: So, it is because there is concern about you and that is why we are here.

Sam: How is your sleep at the moment?

Simon: But why are there concerns about me at the moment if I have not spoken to my doctor in years and use lot are the only people that seem to have that concern and that concern is based on this gentleman who has come to my door and I never gave him access.

Doctor xxx: No before that.

Simon: Before that the only other concern was that you lot came here on the 8th December 2016 and there was no issue there, I explained to your self's and everybody was comfortable and you all left me and if there was a concern you would have raised that yourself s as professionals.

Doctor XX: Tell us a bit about your neighbours.
