

He should be able to attend this tribunal and also cope with the outcome with the help and support from staffs.

**9) Opinion and recommendations  
Is detention in hospital for (S2) or the provision of medical treatment in hospital justified or necessary.**

It is important that Simon remains in hospital under section 2 so that his mental state can be fully assessed followed by treatment.  
He has no insight and is not willing to cooperate with his treatment.  
He does not believe that he needs medication.  
There is a high probability that he will not cooperate and disengage from services.  
He will be putting himself and his neighbours at risk due to his aggressive and confrontational behaviour.  
He will be at risk of losing his accommodation.
