 ENFIELD ADULT NORTH LOCALITY TEAM

16/11/2018 Lorraine (mother) left a message at reception for me to call her back.

-5^ T/C with Lorraine. She said she is not happy that Simon was discharged from hospital. I said that I did not see any value for the ward to keep him as he is adamant that he does not have a mental illness and he has constantly declined medications. She said that Simon wanted to build up a relationship with the ward? She also mentioned that I have said that I will help Simon with housing issues; I clarified that I at no point have I said this but what I said that if Simon agrees to engage with CC in the community I am more than happy to talk/listen to him. I reiterated that his housing issues does not fall under the remit of the Community Mental Health Team and that he/should liaise with the Enfield Council directly and/or challenge the eviction via the courts. She said that she plans to liaise with the Court. I said that I am happy to arrange a review with his Psychiatrist if that what he wants; she said that she will discuss this with Simon and call be next week.

From Dr Greensides RIO entry:

-He does not want to see CC

-He does not want to see Psychiatrist in the community

-He has agreed for nursing staff to call him (for 7 day follow up)

Simon was discharged from the ward. He waited till his mother came to pick him up. When his mother came she expressed her concerns that he was being discharged as the situation with the flat had not been resolved. I stated that the care coordinator would be able to help with this. She stated that the discharge as "malicious". She was reassured that this was not the case.
