

Going to see Enfield Adult north
locality team on 17/07/19 @
10.15 to try to speak to a
manager.

At 11.00am got to speak to
a nice lady called Reake who
was the team Co-ordinator for the
day I explained why I was there
and that I would like to speak
to a manager about my nephew
Simon's assessment and the way
Sabo has been treating him and
ask what was his reasons for
refusing to call me back when
he was asked to by Andrae
from the Amhp team. ~~misheard~~

She agreed that they should not
be talking in a group outside the
premises and that they should of
shown courtesy by pointing someone
~~here~~ they were 30 mins late.

She asked if I could get Simon
to sign a consent form so I
can speak to a manager on his
behalf. I left at 11.25am.
