On going Progress

T/c to Lorraine Cordell) mother on 0208 245 7454, Lorraine said that Simon has been set up by the police. He was accused of burglary in June 2014 but the court threw the case out due to lack of evidence. She also alleged that Simon is being harassed by the police; monitor his flat on a daily basis. The police often stop and search him and believe that he is being targeted. She described him as a good person who recently stopped a youth centre from closing in Enfield.

Lorraine is concerned about Simon's "stopped medication and is low in vitamin D. Four weeks ago he was admitted to North Middlesex Hospital. She said that the police have him on there at risk register for suicide. Simon has been put on an ASBO due to nuisance (was unable to elaborate on this) Lorraine said that Simon called her in the night and talks about the police harassment. She thinks he needs treatment but would be unwilling to accept it. She stated that Simon called his father and apologies for his behaviour yesterday towards him and HTT. Lorraine said that his father Ben is the oldest therefore he is the nearest relative within the meaning of the mental health act (1983/2007). However, Lorraine said that she provides significant and substantial support and sees or has contact with Simon on a daily basis.

Lorraine then received a call from Simon's best friend who advised her that Simon was coming to see her. Due to this I ended the call as Simon was outside and said that I would call back later.

T/c to Ben and discussed the nearest relative. Ben said he is the oldest parent but Simon's mother Lorraine provides significant and substantial support and has contact with him on a daily basis. Ben said that Simon is very depressed after experiencing the loss of his grandmother; broke up with his girlfriend, being placed on an ASBO and being harassed by the police. Ben took three days off work to stay with Simon and yesterday he seemed a lot calmer. However, he continues state that he does not want other people such as HTT to be involved. I explained that HTT have requested that Simon be assessed under the Mental Health Act. Ben said that it might make Simon worse, so would talk to Lorraine and assesses the situation. I agreed to contact Lorraine and gain her views.

T/c to Lorraine, Simon was present so she was unable to talk but replied yes or no to my questions. She agreed that he was a little calmer and that she would not want the police to be involved. I asked Lorraine to talk to Simon about seeing the HTT again as this would be the least restricted alternative to hospital. Lorraine said she felt he would be ok over the weekend and I advised her to contact the police if she felt threatened or take him to North Middlesex Hospital A&E.

Plan

I will contact Lorraine on Monday and review the situation.
