Simon has not engaged with me or EIP and says he does not want to engage with EIP or the mental health service. I sent Simon a letter to contact with me or EIP to indicate that he wishes to remain with EIP or he will be considered for discharge.

t/c received from Lorraine and she reported that Simon said to her that he was willing to engage with EIP and just that he did not wish to take medication. I informed Lorraine that medication is but one of many interventions on offer from EIP. I informed Lorraine that it was important for Simon to be reviewed by doctors from time to time and I need to have contact with him to monitor his mental state and mood. I also said to Lorraine that it would be helpful if Simon called me directly and that would indicate his commitment.

Lorraine requested if appointments could be at Simon's place? I told Lorraine that it was possible to see Simon at his place but he must also be able to come to Lucas House or other designated place to be seen. I offered to book appointment to see Simon and Lorraine said he will have to speak with Simon first and contact me for appointment.
