

t/c I spoke with Simon and for the majority of the time he dominated the conversation. He spoke extensively about his cases and gripes with Police. He told me that he did not need EIP service. He said he was not willing to take medication and or work with team. I informed Simon that if that was the case he will be discharged from the team.

I then spoke with his mother Lorraine and explained that apart from medication Simon could benefit from regular contact with myself to monitor his mental health and psychiatrist for review. He could have psychology input if interested and other activities on offer from EIP.

t/c I spoke with Simon's mother [she is not too well with bad back] because Simon will not talk to me. Simon believes that since he met me I caused him to be in hospital. Mother informed me that Simon was working at the moment; she said he was doing his own work

Mother informed me that Simon's court case is on 17 Nov 2016. She said that Simon wants to move from current property and will require support from EIP. He believes that if he moves he will not have the kind of problems he is going through. I advised mother to ask Simon to apply to Housing and I added EIP will be willing give supporting letter.

t/c to Lorraine, Simon's mother and I asked if I could speak with him. Lorraine told me that Simon was sleeping but I could clearly hear him say that he did not wish to speak with me. I asked Lorraine about Simon's court case. He was due to report to court for sentencing on 17 and Lorraine did not answer and rather asked if I could get Simon moved from his current accommodation. I said to Lorraine that Simon should contact me to discuss his housing needs. Lorraine then said that Simon agreed to call me tomorrow to discuss his housing.

I did not have time and opportunity to ask about Simon's mental state and mood. Or whether or not he is taking medication.

t/c I rang Simon's mother, Lorraine on her landline 02082457454 to speak with Simon. I could hear him very clearly in the background saying and referring to me "stay away from me; you have ruined my life". He did not wish to speak with me.

Lorraine however said that he was fine and that he has been staying with her. I said to Lorraine that I will call at another time and hope to get him in a better mood.

I made 2 calls to Simon's mobile to try and speak with him about his health and Police case. I wanted to to simply offer support. There was no answer.
