Home visit at 19.00 hrs, front door locked, unable to get in.

He did not answer his mobile.

Prior to visit, I rang him and he said he wanted to see a doctor about his medications, and was not expecting a nurse.

He said he told the nurse who last visited and was promised that his request would be looked into. He sounded annoyed, and questioned the purpose of me visiting. I have explained that I will make a request for a medical review for 07/09/16.
