

CT1 Zinchenko

Email received from Rachel Yona:

Dear Dr Zinchenko,

"For your awareness, I am investigating an information governance breach related to this patient. Due to the complexity, we have not written to him to inform him, as it was felt this would be better done face to face. His mother who will be attending the appointment is aware, and was the one to raise the complaint.

When you see him, please could you tell him that 'some clinical information was shared by the Trust with the London Borough of Enfield, in response to a court order. We are duty bound to share information when requested in a court order. However the information we provided was not proportionate to the request. We are investigating this.'

Can you let me know that you have received this email?

Access

T/C to Lorraine following call on Access. Relayed long history of issues Simon has had with Enfield Housing. Current concern appears to be that Simon may not be given a 2 bedroom flat as housing feel that this is not needed, however family disagree. Advised Lorraine that housing will have their policies/laws which they follow and mental health services can only provide supporting information that may or may not impact on final housing decision.

Lorraine said that she would be at the review meeting with Simon on the 31st, advised that she/Simon could inform how they feel housing may impact on Simon's mental health in the longer term (in terms of support that family are able to provide) this can be included in the clinic review letter however psychiatrist will need to determine whether this is having/is going to affect Simon's mental state/risk. Lorraine was happy with this plan and will provide clinic review letter to housing following appointment on the 31st August.
