

Enfield HTT

Home visit this morning.

Simon appeared slightly elated in mood, pressured speech,

However during the visit he was courteous and polite on approach.

Preoccupied with that his psychiatric report from 25/8/16 is not very correct.

Said that there are few paragraphs, which wrongly explain how he was detained. Said that he had been detained illegally and was placed in hospital for no reasons.

He also denied making any threats to neighbours, denied any mental health problems.

Said he has a CD as a prove, that the police was acting incorrectly.

However he said he is willing to work with HTT and will take medication.

Simon expressed delusional thoughts about running a company at home.

Second home visit this evening to supply medication - I left medication for this evening

Said he is going to take it later, as he was busy at the moment.

Plan: discuss if HTT to supply all TTA's or to supervise medication every evening.
