Dr Mills ST4 Haringey Assessment Ward.

TRIBUNAL + PLAN

Simons MHA Tribunal went ahead this morning - the panel decided not to uphold the Section 2, therefore Simon is now an informal patient. The judge made it clear to Simon that although they were discharging the section, they felt that he needed to work with the medical team and the nurses, and that they felt he needed support.

Simon has agreed to remain in hospital informally so that we can continue to assess him and monitor his progress with medication, his time off the ward can be negotiated with nursing staff, we would recommend that this is escorted on the first instance then if goes well can be unescorted.

Simon has also agreed to take his medication as prescribed (5mg olanzapine nocte, 1mg lorazepam nocte), he presents as calm and amenable, willing to work with health professionals, denying thoughts to harm self and others.

If Simon were to change his mind and decide to leave over the weekend, it would not be appropriate to detain him under 5(2) unless his presentation and risks changed. If Simon wishes to leave hospital and his presentation is unchanged, we would recommend that Simon be discharged with the HTT for follow up/monitoring/supervision with medication.
