

Simon appears generally settled, remains consumed with same preoccupations which he relates with pressured, uninterruptible speech - wants to formally apply to view his medical records, says he wants to make complaint about his 'illegal assessment' whilst in police custody and his current detention under MHA 1983, refutes that he is unwell

Simon has spent his time between his room using his laptop and communal areas of ward sharing use of his laptop with others.

Meals attended.

Visited by his mother and sister.
