Simon was discussed at EIP referral and case meeting. I reported that I spoke with him and he was clear that he did not want EIP input. I also reported that he appeared to have capacity in this regard and said he has come to know of EIP and me and that if he needed help he will make contact.

Outcome

Discharge from EIP caseload

Simon may be referred to EIP within 3 years should the need arise

t/c I spoke with Simon and informed him that I was back from my holidays. He told about the MHA team visiting him while I was away and tried to get him into hospital. He said he did not appreciate what happened and was glad that the doctors did not agree that he was mentally ill.

He said "I know who the team is and who you are and If I ever need help I know who to contact"

He spoke positively about Mr Clark, manager; that he is a nice person and good to speak with.

Plan

Discuss at EIS referral and case meeting on Tuesday

Recommend that case to be closed
