

mha asmt set up for 10.00 on wednesday 3/2/16, at clients home address.

police snt to attend.

warrant available at amhp office.

s.12 dr al allaq & s.12 dr al bazaz to attend.

care coordinator made aware of plan and agreed to attend.

door code to block 0123.

according to sandra`s note dated 21/1, simons mother has agreed to look after dog "lady".

i spoke to mother on 020 8245 7454. she said she would be willing and able to care for dog, if simon goes into hospital.

she indicated very strongly that she believes simon is being harrassed by his upstairs neighbour, who she said has mental health problems. she said also that simon (and the whole family) have been harrassed by police for the last 20 years. she said simon suffers from stress that is exacerbated by neighbour and police actions.

i advised she speaks to cc amal regarding her concerns. she said simon is happy to engage with amal and eis. i advised of details for mha asmt so that she can be available - she said she would care for dog if simon admitted.

i advised she does not tell simon of the mha asmt plan, in case he decides to avoid seeing staff. i was not certain from her approach that she would adhere to this advice. she warned that police attending simon`s home would cause uproar.

to do:

- confirm locksmith availability via lne council jackie gubby 020 8375 8131 - message left on her answer phone.

- bed manager to be alerted.

call received from safer neighbourhood team (snt) sgt mark aldwinckle 020 8345 1124. he said police snt not available until wed 3/2/16. in discussion, we agreed that although mha asmt needs to be carried out as soon as possible, there does not seem to be anything which is escalating any risk presented by simon, at this time. we agreed that given police snt knowledge of client and ongoing quite frequent contact with him, it would be useful to have local snt staff attend to assist on the occasion of this mha asmt - rather than other police officers who are not familiar with him.

we discussed issue that simon has a dog, and that it would be possible for him to use dog as a threat against staff wishing to enter his property. sgt aldwinckle said police would equip with "bite back" spray, which they may use to calm threatening dogs.

we agreed 10.00 on wednesday 3/2/16, as date for mha asmt to set up.
