 Simon rang reception to make enquiries about his referral. I was called to take the call and I spoke with Simon.

He wanted to know why he has been referred to mental health services

I read to him the referral letter from his GP and he seemed to have understood and accepted my response.

Simon explained his circumstances i.e repeated all that has been documented on RiO already regarding the police and him

He appeared quite satisfied talking to me and agreed to a home visit on Monday at / after mid-day
