

**EIS case & referral meeting:**

I gave feedback on Simon. I reported that he still remained adamant that he did not require mental health services. However he is happy to speak with me.

Team discussed possible actions -

- cc to speak with GP and find out if they had any concerns
- cc to continue telephone contact with Simon
- discuss Simon again at next meeting

t/c I rang Simon and wished him Happy New Year and asked him how he was.

He told me that he has been doing well and no problems except that he has a Court case in February to clear his name.

However he told me that he reported a police officer whom he secretly recorded for framing or setting him up. He said at the Highbury Magistrate Court the police officer was found guilty. He said he felt good about that and that he will be claiming compensation. He will also like an apology made through the news [media].

Simon informed me that he has not been going out much - "getting myself locked; i don't feel safe to walk around much" as I got a police officer arrested.

I reminded him of my or EIP offer for help i.e. talk to someone or get practical help if the need arose. Simon was quite polite, thank me for calling and the reminder and wished me and the team a Happy New Year.

**Impression**

Apart from the story about getting a police officer arrested [?delusional?], and is plausible, Simon did not appear to have psychotic symptoms. He spoke clearly, coherently and content was logical. There was no apparent evidence of thought disorder.

He appeared to not mind me calling him. I will call him again after New Year to check how things have moved on.

t/c I spoke with Simon on **07763 043 933** and ask how he was and he told me that he was doing well. He informed me that he has been gathering necessary information / documentation to help him clear his name. He said he was waiting for the court date. I asked if there was anyway EIP could help him i.e. practical things etc. to assist him in his case. Simon thanked me for the offer and said that he was fine and did not need it.
