 t/c I spoke with Simon at length and his final decision was that he was not interested in meeting me or having help from the mental health services.

Simon told me he was not mentally ill and did not need help. He then went on to tell me about all the problems he had or still has with the police. He said that he simply wants to clear his name and that "the truth will set me free"

His speech appeared pressure and went from topic to topic without ending one topic. He appeared to have an aggressive tone and on the other hand he appeared apologetic about refusing help.

My impression is that Simon will not co-operative with assessment and treatment in the community. There was touch of delusions or rather exaggeration to his claims about being "victimised". There are information on the net about his arrest and being placed on ASBO.

I will discuss his case at EIS case & referral meeting on Tuesday

 t/c I rang 07961 833 021 to speak with Simon and a female answered and told me that she was his mother. She told me also that Simon was still in bed and will be upset if woken up.

I told her who I was and the team. She recognised the team immediately and willingly gave me Simon's mobile number 07763 043 933

Plan

Goodie to call Simon from 12pm and arrange and assessment.

 Assessment letter sent to the GP via email. Dr Cushion advised that she would close the referral once the EIS had taken over this patient's care.
