Today

Simon consented to be seen and let us in. He was clean, well nourished , well kempt and dressed casually. He put the dog in the back garden.

One bed council flat

There was a massive heavy-duty metal door like that of a prison cell ( over 7 feet tall) behind his own front door, which Simon said he's made and installed recently. There were tools lying about on the floor and he has worked in construction in the past. He didn't give us a reason for making the door.

He hasn't gone out for months- mother does all shopping

History from Mr Cordell

Chaotic historian, jumping about topic to topic, but happy to talk especially about his grievances chiefly with the police and the woman upstairs.

He said there is a widespread conspiracy to destroy his good name and possibly ultimately to kill him. This is organised by the police with a policeman in Essex called Big Bad ( unheard) as its source, in league with "Storm" a global agency who manage the UK's 999 calls. The police are putting things about him all over the internet ( there has been local reporting of his ASBO) and are putting subliminal messages about him through his own TV and other people's.

As part of this, he says they have falsified all his records - the proof of which he gave as a list of CADS ( relating to one of the illegal raves he'd arranged) which as they were not written down in sequence of their numbers, could not be a true record and thus in his view proof of a conspiracy.

He said he has evidence on tape of the police talking about him and plotting against him, which he offered to show us, although in fact there were no such sound files on his computer. He couldn't really explain how he'd heard this material.

He was keen to show us other written "evidence " from the police , which were all notes Simon had made in files on his computer.

Simon said the woman in the flat above has been stalking him , is aware of all his movements around the flat, and when he is in the bath, takes off his clothes or on the loo, begins stamping on the floorboards. The history we have is that he made threats to her and she was moved for her own safety: he still feels she is upstairs. Said he had CCTV footage from cameras in his flat of her stalking him - he could not show us any cameras.

Simon got out several boxes of papers which he said related to the conspiracy together with his plan for his own business and his plans for a global charity for children.

The flat was full of equipment for printing and other things. Simon said he had spent " a quarter of a million" on his businesses including 20 000 on each of two printers.

Has thoughts of killing himself "when I eventually clear my name."
