

Enfield AMHP Service

I made an application today for a Warrant under Section 135(1) of the Mental health Act 1983/2007.

The District Judge was of the opinion there was insufficient recent evidence that he was being "kept under proper control" as he is living alone.

She further considered that there is insufficient recent medical evidence that "he is unable to care for himself" i.e particularly his mental health, has he been prescribed / has he been taking it?

It could be considered that he is not going out to avoid accusations that he is in breach of his Tenancy conditions.

There is a report dated 8.7.2018 which indicates that he may lack capacity to adhere to the conditions of an injunction against him.

The District Judge felt that there may be other legal options that could be used in preference to her issuing a S135 (1) warrant for which she considered there is insufficient evidence to consider he is unable to care for himself.

To gain the necessary evidence there needs to be a further Psychiatric assessment offered to Mr Cordell at a time when his mother might be available to facilitate the appointment as had been previously planned.
