Dear Simon

It was good to speak to you today. Thanks for taking the time to do this and for sharing your thoughts and views with me.

From our conversations and one that you had previously with my Manager Simon Clark, I understand that you do not wish to remain in contact with us. It is our view, however, that you may be experiencing symptoms of some form of mental illness. We call it psychosis, but this does not appear to be affecting your capacity to make certain decisions, including whether you wish to have contact with the Enfield Early Intervention Team or not. We are however, happy to continue to offer you support but understand that at present this is not something you would like to do.

You know what my Team stands for and you know me, so if in the future you think either the Team or I will be of any help to you, please do not hesitate to call.

I must say it was my pleasure having all those phone conversations with you.

I wish you all the best.

Yours Sincerely

Goodie
