ENFIELD ADULT NORTH LOCALITY TEAM

T/C to Police-PC Tom 07506 523950.

Asked him if SC had been charged for the assault on the police. He said he is dealing specifically with this case; he said that the police needs to interview SC first before charging him for assault; he said that SC has not made himself available.

Informed him that we plan to hold a Professionals Meeting on the 19th December. He said that I should try to call 101 to ask if Police can attend. He said that he cannot attend himself and would discuss this with his superiors. I gave him my direct contact number (work mobile)

Rang 101. Police operator took some details. I relayed that SC is known to team; he does not engage and we cannot manage risks. Hence the reason for us to hold a Professionals Meeting. Police operator took my direct number and said that police will get back to me on this.

Enfield FICS - consultant's note

Entries below noted. I note that Simon was documented to be thought disordered and to experience delusions but to be refusing to take treatment or to see a psychiatrist in the community following not being detained under s3 MHA.

The forensic team have no additional powers to compel Simon, of course, so it is difficult for us to add more in the immediate aftermath of this concerted attempt to treat him in hospital.

We have not closed the referral made to us. It seems unlikely that Simon would agree to attend a forensic assessment given the below but we would be happy to offer advice to his community care co-ordinator. I wonder whether the most helpful course of action to take would be to suggest/arrange a professionals' meeting, involving Enfield Housing and also a representative from the Police (perhaps the officer in the case in relation to the assault charge). FICS would be able to attend this if helpful.
