

OT:Self pampering

11-12noon

Simon came into the room and spoke about how unfair it was that he was in hospital. He spoke about the police conspiring against him. Simon said the police were very careful in how they handled him. Simon said the police could not prove/find him guilty of anything. Simon said he did not have a psychosis but as he was suing the police they would not put him in prison but made up the charge that he was psychotic. He said he was not grandiose and he did own and run a business. He said he was not bankrupt and despite receipts provided by his mother did not over spend. He mentioned that someone had accused him of something he'd done in his flat but it hadn't been true never the less the police had still brought him to hospital. He feels everything done to him is against his 'human rights'. Technician did try to point out /reason with him but he only reason things out according to his beliefs.
