

**Enfield AMHP Service****Attempted MHA Assessment**

Dr Keyhani (S12) Dr Albazaz (S12), Anthony Manning (AMHP) Larry Ryan (Trainee AMHP), Soobah Appadoo (Care Coordinator), Kingsley and Michelle ( CRHTT).

11:15am Communal door to flat had been broken and closed with tape which opened easily. Simon's flat, 109 is on ground floor and door was closed and had a strap fastened to bottom of door as well. After knocking Simon asked who it was and when told " A social worker from Enfield Mental Health services" he said that he did not wish to see me and to go away, he talked rapidly about being subjected to 75 assaults at the hands of mental health services and that he has documented evidence and is taking action. Claimed he would make us all redundant. He warned us to leave. A dog could be heard barking behind the door.

We left the block and gathered outside on the footpath to discuss plan. Shortly after Simon came out and approached as talking with pressured speech about his long battle with the police and legal system, how he is even now subject to a Curfew which keeps him from leaving his flat after 10.30 and this is in force until 2020 he claims. It was difficult to follow his story but appeared to all relate to the organisation of raves and club nights. He recognised Dr Albazaz from a previous assessment and said that he was there and he did not like him. Gradually a level of rapport was established and it was suggested to Simon that it might be a good idea to continue the discussion in his flat rather than in a public place. He agreed to this and I asked him to lock the dog away he said he will lock it in the back garden. Prior to entering the flat I informed Simon that I am a trainee AMHP and myself and the 2 doctors with me will be conducting a Mental Health Act assessment. We then entered the flat which was very cluttered with musical equipment and stacks of books and records. On the coffee table was a modern Apple PC. There was no obvious smell of drugs only cigarette smoke. Upon entering the living room and the mention of the 2 doctors he pointed to Dr Albazaz and said that he will not talk to him and does not want him in the flat. I explained that we could not conduct the assessment with out 2 doctors and that we would need to leave. He was very keen to show me things on his computer relating to conspiracies and torments that he perceives he is suffering but we left explain the assessment would need to happen at another time.

Plan: Apply for S135 (1) warrant in view of his unwillingness to be assessed. Would require removal to a place of safety for assessment.

**Plans to be made for care of dog if Service user is removed to POS.**

**Retrospective Entry**

9:45 am T/C to Simon's mother and nearest relative Lorraine Cordell (07807333545) she informed me that she had talked to Simon last night n the phone and sounded "like his normal self" she took fish and chips over to him 2 days previously and he was bright and cheerful she reported. I explained that we are today going to assess him under the MHA and that I wanted to consult with her. She said that he rarely leaves the flat and she visits with shopping and takes the dog for a walk. His dog currently has an abscess and the vet has prescribed anti-biotics. It was a difficult conversation as the mobile reception was poor. I agreed to call her after the assessment.
