

i met with simon

I had been informed that the section 3 assessment is delayed as the AMHP office has a number of section 2 assessments to complete & as his section 2 is not near expiring he is at the bottom of the pile.

I explained this to simon & that in the circumstances I feel it is important that he commences treatment

he became quite angry. he said he felt the tribunal made the wrong decision & that we were relying on evidence that had been 'thrown out' as it had 'expired' (this was the list of complaints the council had compiled)

he then said he would appeal again & would complain about me and that as a result I would not be his doctor as this would be 'a conflict of interests under the 1998 act' I asked him what the 1998 act was, he wasn't able to give a clear explanation.

I told him that I felt he was confused about points of law, and that often he would refer to things incorrectly--I know this in regards to his references around the mental health act in particular

at l/v

he was thought disordered (this is apparent much more when he is confronted about his beliefs/behaviour)

he continues to express paranoid views about the council & his neighbours, these haven't changed

he was paranoid about me and felt that I was persecuting him and trying to 'euthanase him' by prescribing medication, which he told me he would refuse

I explained I would prescribe risperidone 2mg at night.

he remains insightful and whilst generally calmer his core delusional beliefs remain.

## Plan

-risperidone 2mg nocte

-d/w AMHP office
