This statement (consisting of: ... **12** ... pages each signed by me) is true to the best of my knowledge and belief and I make it knowing that, if it is tendered in evidence, I shall be liable to prosecution if I have wilfully stated anything in it which I know to be false, or do not believe to be true.

I am a police officer attached to the Anti Social Behaviour Team as part of the Community Safety Unit based at Enfield Civic Centre.

This is a statement of hearsay evidence compiled from police records to be relied upon in regards to an application as allowed by Section 1(c) of the Crime and Disorder Act 1998 as amended by the Anti Social Behaviour Act 2003 against Simon CORDELL born 21st January 1981, of 109 BURNCROFT Avenue, Enfield. EN3.

I have looked at the following police databases, Police National Computer (PNC), Crime Reporting and Information System (CRIS) and Criminal Intelligence (CRIMINT). The PNC holds information concerning arrests, case progression and previous convictions; it also holds information about vehicle ownership. CRIS is the database police use to record crime and document the investigation. The CRIMINT database holds intelligence provided by Members of the Metropolitan Police Service or information they have been told by members of the public.

This statement aims to show supporting evidence of the Course of behaviour by Simon CORDELL I will be providing the hearsay evidence obtained from these police indices as this information has either been witnessed first hand by the officers themselves or passed on by independent witnesses There is an operational need to protect the identity of some witnesses who, for example, are too frightened due to fear of reprisal by the Defendant to give evidence. Those witnesses whose names are known and were content for their identity to be disclosed are given in the statement. In the case of the information obtained from these police incidents coming from named Members of the Police Service it is felt that it is neither practicable nor proportionate to require each witness to be called individually to give evidence in court

Illegal Raves

Illegal raves are a strain on society; they break down communities and cause residents and members of the public harassment, alarm and distress due to noise nuisance and the amount of individuals that come into the area. These raves are usually poorly run and cause damage not only to the buildings being used but to the environment. The properties being used for such events are commonly disused buildings; the organisers have no idea as to whether these buildings are safe. Recently there have been a number of deaths at raves; the most recent was a young 15 year old male who died at a Rave in Croydon which was believed to be attended by around 2000 revellers. Raves are notorious for drugs being present. These illegal events have a huge impact on Police. Officers are called to the venues and also there are a huge number of calls from members of the public and residents complaining. This type of illegal event cannot be tolerated and action must be taken to disrupt these events and if a court order is not granted then Simon CORDELL is free to continue to organise such events. Simon CORDELL has openly admitted to officers that he runs such events and has even bragged about it to Police.

Reports involving Simon CORDELL:

1. On 10th August 2014, Officers arrived at Millmarsh Lane, there was numerous young people milling around trying to locate the rave which was eventually found on the North footway just by the Greggs factory. It was a small strip of concrete completely open to the air with a large amplified sound system at the far end obstructed from view of the street by vegetation. Simon CORDELL was at the gate and immediately shut it on Police arrival. Eventually, Mr CORDELL agreed to let me and A/PS AMES onto the property to confirm there was no damage or theft offences being committed. Simon CORDELL'S silver Ford Focus VRM MA57LDY was present and contained at least three massive nitrous oxide tanks. When queried he admitted he had seen the news article about the dangerous effects of this and how the Government would probably

regulate it. There was about 30 people in so in discussion Mr CORDELL was told it was an illegal rave and I would be seeking Supt authority to seize the sound equipment. Mr CORDELL began to pack away his equipment stating it was a birthday party only but he was going Whilst stood waiting for him to leave a group of about 100 teenagers turned up on mass and immediately became confrontational stating there were going to storm the rave. As we had good numbers the group initially dispersed but tried to go via a back entrance to the venue which led to arrests when scuffles with Police started. The group the completely moved of: but returned about 7.0 minutes later in even bigger numbers. The situation quickly escalated as the group started throwing cones and general road furniture towards Police. Luckily dogs were on hand and the crowd was dispersed after numerous missiles were thrown at Police and a number of arrests were made. The group then hung around and got on trains only to try and enter Progress Way and the previous rave site, It was only large numbers of TSG that prevented the group forcing their way in. Again. Simon CORDELL and his silver Focus were present. Eventually, the group began to move off. The net result was at least 4 arrested for various public order and one officer injured why may required a stitch Or two to his arm. Simon CORDELL's attitude is that he is a modern day business man and the actions of the group had nothing to do with him. It was fortunate more officers were not injured.

2. On 27th July 2014, Police drove down MILLMARSH LANE, ENFIELD, because information had been received that a rave would be taking place that evening. Police drove down and found the rave, which was on a piece of land between Greggs and Pugh Charles Glass. This appeared to be a driveway that was over grown, but had a gate on it, which people at the rave had the key for. Police spoke to the people inside and they did not know if they had any first aiders there and they said that they had one fire extinguisher on the site. The people there let police in and there was no alcohol there, but they had water to drink. The rave was outside on open land There was a big stack of speakers which was being powered by a van belonging to Simon CORDELL. Police saw the van drive out with Simon CORDELL driving it The rave was a 20th birthday party for one of the people there. The rave was organised by Simon CORDELL and was connected to another rave on ALMA ROAD.

3. On Thursday 24th July 2014 at around 1625 hours, plain clothes officers from YE Gangs Unit had cause to stop the following male on ALMA ROAD EN3. Simon CORDELL.. He was driving a silver Ford Focus vrm

1" from the bumper of the car in front of him and his driving was erratic. He claimed to know the other driver; this male however approached officers saying he had been driving like that behind him since YR. CORDELL was obstructive as usual, refusing to get out of his vehicle etc. He stated that his solicitor has a big case going where all his criminal records will be wiped as Police have unlawfully picked on him for years ect of interest he stated that he has 4 brand new speaker systems at home which he is happy to loan people for raves etc and that he is inundated with requests to run raves. He stated that he has 20,000 followers on one social media network and 70,000 in another. He says that he could organize a rave and get 20,000 people at i without any problems what so ever, and that he gets lots of requests from anarchist type groups etc to run raves for them. Of note he claims Occupy London, Black Block and other anarchist groups have been asking him to organize one for Notting Hill Carnival so that they can "Cause carnage and mayhem".

4. On 19th July 2014 at 2205 hours Police were called to the Carpet Right show room on the A10 Great Cambridge Road Enfield regarding a possible rave in the empty premises. There was about 20 people inside the premises with sound equipment which they were about to set up. When officers arrived they blocked the front of the venue to stop anyone else getting in. The main organiser was spoken to by Police. This male was Simon CORDELL. He admitted to organising the party and said he was expecting several hundred people. Whilst dealing with CORDELL Police were told that crowds were gathering outside Southbury Road train station waiting to be told where the rave was. After a long conversation with CORDELL he was arrested to prevent a breach of the peace and taken to Edmonton Police Station C/N 01YE3597/14 refers. As a result of his arrest the people inside the venue all left. The music system was loaded into a white van VRM PE52UHW. The owner and driver of this vehicle was Elliot LAIDLER. He stated it was the first time he had worked for CORDELL. The van could not leave the car park as the key for the padlocked gate could not be found. However after two hours the vehicle was able to leave by driving over the pavement. CORDELL was released at 0430 as a breach of the peace was no longer likely to take place. Clearly CORDELL makes a living by organising raves in North London. Or note is when officers searched the car park after everyone had left they found a set of keys by the electronic steel shutters. These keys opened the shutters lo the premises and on the key fob attached to the keys was a PIN number for the alarm system. This is how youths gained entry to the premises. It is possible that CORDELL has obtained them via the security company or an ex employee REF YERT00376024. INSPSKINNER.

8. On 25th May 2014 at 23:21 hours, Police were called to Unit 5 Sr Georges Industrial Estate, White Hart Lane NI7 by the security guard at the venue stating "suspects were on premises". Police attended the venue and a large group of approx 20 young males and females, between 18-35 years of age and of mixed origins ran out of the rear of the industrial estate through an alleyway leading to Diet ford Close N13. Several males were still inside the premises claiming to be squatters. The remote viewing CCTV at the venue was contacted and the alarms had just been activated and it had footage of several suspects causing damage to the security cameras and door locks at the venue upon opening the premises. After several minutes and upon hearing Police organising entry to the premises in order to search for suspects concerned in Criminal Damage the remaining occupants ran out of the rear doors to the venue. The front shutter then opened and a White Ford Transit vehicle VRM CX52JPZ attempted to exit the premises. The driver an IC3 male gave the particulars of Simon CORDELL. 9. On Sunday 20th April 2014 Cannabis 420 day was being held in Hyde Park W2. Police noticed a white Ford Transit Van CX52JRZ with a trailer on tow and a large generator on the trailer. The driver admitted that he was asked to attend to supply support to a band that was going to attend the event. The driver gave his details as Simon CORDELL. Vehicle had been driven onto park roads within Hyde Park, and was asked to leave prior to large numbers attending the event. 10. On 24th May 2013 at about 2030 hours Police responded to reports of a suspect on at the Old Ponders End Police Station. On Arrival Police contained the area. Simon CORDELL was seen exiting an alleyway to the side of the Police station at the rear of the Kinder Carden Centre. In the car park to the rear of the premises was a Silver Ford Focus MA57LDY. Whilst waiting to gain access Joshua HOLLY-FIELD popped his head over the boarding to the premises and climbed over on Police request. He was detained and searched with nothing found on his person. When asked why he was in the ground of the premises he stated "Squatters rights', I haven't done anything wrong, you can speak to my lawyer who is with your colleagues round the front". This lawyer turned out to be Simon CORDELL. Whilst officers checked for signs of break-ins it was established through HOLLY-FIELD that they were looking for a place to set up a rave over the bank holiday period. The Focus was searched in the presence of CORDELL as it smelt strongly of cannabis with a negative result. CORDELL stated that when he sets up raves he attracts in excess of 500 people over a 3 day period. CORDELL is planning to set up a rave and actively looking for the premises.

opened the car door to speak to the driver and he said 'What the fuck do you want, you can't stop me'. We identified ourselves as Police Officers by displaying my warrant card and he continued to say you have no power to Stop me what are your powers. It was explained why we were there and why we had stopped him. He remained aggressive saying that we did not know how to do our job and that we had no powers to search him. The other males in the van were telling the male to calm down and let us get on with it. He was still aggressive saying that he was all legit saying that we had no reason to be there He then turned off the engine and jumped out the van and walked toward the pavement We explained he was detained for the search and he continued to shout "Don't you fucking touch me, I can walk around". He continued to question our grounds and I again explained them to him. An elderly member of the public was walking past and he shouted at him "Oi mate die fucking Police want to search you coz they think you may be a burglar". The male turned round looked in disgust and walked off again. CORDELL continued to walk around by our vehicle and it was again explained he was detained for search as he was walking away from him Police took hold of his right arm. As this happened he shouted "Don't fucking touch me". He was continually aggressive. He was shouting "Get the fuck off me" and members of the public were at their windows trying to see what was going on. PC ASTON was trying to take out his left arm while PC SCOTT was trying to take out his right. He was shouting "Get the fuck off me" continually and another unit arrived. Handcuffs were applied in the rear stack position as he was still being aggressive and uncooperative. As he calmed down it was again explained why he was being searched and he said "you can't fucking touch me". He was searched under section 1 of pace and nothing was found. The van was searched and again nothing was found. The others males were searched under the same powers and nothing was found. PC ASTON did check on the var. and the pne stated that it had no insurance. CORDELL stated he had traders which could not be proved so the van was seized. He said "you are not fucking taking my van". At 1446 he was arrested for no insurance and section 5 of the public order act as he could not provide a valid name or address. CORDELL was later charged with no insurance and Section 5 public order
