This statement refers to an incident that happened on Friday 6<sup>th</sup> Saturday 7<sup>th</sup> and Sunday 8<sup>th</sup> of JUNE 2014, when a Rave took place on Progress Way, Enfield. While I was on duty in plain clothes on 21<sup>st</sup> Aug 2014 doing door to door enquiries at Wood-George Avenue, Enfield, I spoke to a Resident (B) who wishes not to be named, who stated that the "Rave" that took place, was a nightmare for her whole family and caused distress, her Daughter (16) was studying for her exams, and could not focus with all the thumping noise for three days. She stated her younger child (3) could not sleep or settle, and this caused so much stress over the whole week-end. The resident stated that this kind of "Rave" had happened before and again caused great distress. They had contacted the Council and Police regarding the event.
