

Continuation of Statement of Steve ELSMORE

The Police licensing officer has checked, in my presence, the Borough of Enfield's licensing system where applications get lodged and has confirmed that Simon CORDELL has never applied for anything regarding entertainment.

I have spoken to Enfield Council with regards to Simon CORDELL supplying generators to them for certain events and cannot find anything to confirm that he has. Should he have supplied such generators then these would have been for legitimate events, certainly not Rave's in disused warehouses. I have managed to ascertain that the Town Show and fireworks is not organised by the Council and is organised by Enfield District Scouts. They have confirmed that Simon CORDELL did supply them with a Human Gyroscope for the Town Show' in 2013. It was apparently them that approached Mr CORDELL after seeing the Gyroscope parked up. Apparently Simon CORDELL did not supply any equipment for the fireworks.

A Companies House check has been conducted under the name of 'Too Smooth' and Mr CORDELL'S postcode and there is nothing registered that can be found. Further checks can easily be made should Mr CORDELL be able to provide a Company Number.

On Wednesday 10th December 2014, officers attended Kempe Community Hall to try and obtain more information with regards to Simon CORDELLS role. The hall is managed by the Kempe Hall Community association and is currently run by Diane JOHN, unfortunately she was unavailable due to being sick. Officers managed to speak with her assistant, Hayley, who stated that she was not sure of what Simon CORDELLS role was. She did however state that CORDELL was a member of the committee at the hall and that he had turned up Monday of that week to attend the committee meeting. Prior to that Monday she stated that she had not seen, him for around 2 months. CORDELL had told them that he had been ill

Since my previous statement there have been other information reports. I have copied and pasted the details of the information reports directly onto this statement
