

Condition 63. You must ensure that you have sufficient credit on the gas and electric meters to enable the checks to be carried out.

We will give you written notice unless it is an emergency. If you do not let us in, we may take legal action to make you let us in or to allow us to force entry to your home. We may recover any reasonable costs from you associated with such action.

2.14 Health and safety

Condition 64. You must not do anything in or outside your home that may cause a danger to anyone in your home or in the locality including:

- **throwing anything through or out of the windows or your home, balconies or roof or sweeping and/or wash offensive material on to the premises below**
- **placing anything on a window ledge, balcony or roof that could be a danger to anyone living in or visiting your home or in the locality**
- **causing a blockage to the drains and pipes, gutters and channels in or about the property by spilling or pouring in shared areas, oil, petrol, cooking oil, fat and oil based paint or other chemical substances or pouring the same down any drains or gullies**
- **altering the fire rating of your property by removing walls, doors and door closers**
- **removing external doors and replacing them with doors which do not comply with fire regulations**
- **propping open any communal fire doors**
- **storing items inappropriately in a way that may cause a health and safety hazard or encourage vermin and/or pests**
- **installing metal grilles to windows and external doors which may cause a fire escape hazard**
- **storing items, waste and personal possessions, which prevent the use of a room or space within the property.**

Condition 65. You must provide a safe environment for staff and contractors visiting your home including not smoking in the same room where a member of staff or a contractor is working immediately before and during the visit.

Condition 66. If your property is fitted with a smoke detector, and/or a carbon monoxide alarm, you must keep it in working order by replacing batteries and reporting when there is a defect.

Condition 67. You must not keep or store dangerous, offensive or flammable materials or appliances at your home, or in communal areas, apart from those that may reasonably be needed for general household or medical use.

Condition 68. You must not use portable heaters that burn oil, paraffin, gas or other combustible materials without our written permission.

Condition 69. You must not interfere with the electric or gas supply.

Condition 70. You must not interfere with any equipment for detecting or putting out fires.

Condition 71. You must not use any shed/ pram shed/ garage/outbuilding in a way which causes a hazard, such as by storing flammable material.

Condition 72. You must not leave drug paraphernalia in any area where others might come into contact with them.

Condition 73. You must dispose of any hazardous waste safely and hygienically.

This will include such items as syringes, nappies and sanitary and incontinence pads, batteries and household appliances.

Condition 74. You must not allow children on to balconies, or any other area which could prove dangerous, without responsible adult supervision.

Condition 75. You must not allow anyone into shared areas of the block unless you know that they have a right to be there or allow anyone to follow you through a controlled door without permission.
