

**Simon:** Why would you want that from me?

**Sam:** Because doctors have a pacific skill to do a proper further assessment.

**Simon:** Well I feel that is what you done today and you know that you are intelligent and you know that you are going to leave me.

**Sam:** Well but I think it.

**Simon:** And you are going to know that I am healthy as any think.

**Sam:** Well I just think that tit is just not in your want, it will be in a period of times over a period of time.

**Simon:** So you say I need another assessment then another one in a few months, what you're telling me is that is not going to tarnish the rest of my life.

**Sam:** No because it may not be.

**Simon:** So I am not going to get my medical record and it going to say Simon should not look after 50 kids today because his slightly mentally ill.

**Doctor:** Simon.

**Sam:** Simon is not having a diagnoses which has some thought completely different no one was diagnosing you with any mental illness at this point there has been concerns raised so it is just a matter of people wanting to do a further assessment and this is part of it and what I think we would like to do after today is for you to see someone.

**Simon:** I am going to take your advice for a little while.

**Simon:** As long as you're not sectioning me and you are not a doctor.

**Doctor:** Simon, Simon because of all the things like this you could get shot up again "Muttering" from the services if the team follow you and see you for a couple I do not know for how long.

**Sam:** If you do not see people and they have just got these concerns the people will just worry about you.
