

today's call is 1775790/1 I spoke to a lady called Linda. Who confirmed this is not down to Mr Cordell Flat that is causing the low water pressure. It seems Enfield Council are fully aware the low water pressure has nothing to do with my son or his flat. Yet you fail to notify us of this and it seems my son is still getting the blame. It also seems that Enfield Council sent M&N out to 117 to try and sort the low water pressure out and 117 refused access on the 03/02/2017 and now M&N has closed down the job for Enfield Council. After getting an email today from Lemmy Nwabuisi it seems he is not being updated, and the blame is still going toward my son. Why is Enfield Council not doing anything about this? Why does Enfield Council seem to be hiding the fact and not dealing with the issue?  
Regards  
Lorraine  
Cordell
