Dear Ms Cordell

Thank you for your email below. I am sorry for the delay in progressing your case. Unfortunately we are dealing with a lot of requests at the moment and this has contributed to our delay. I am also sorry that this was not explained to you at the time when we initially made contact on 21st December. Ordinarily there is a £10 fee payable for dealing with such requests however in your case we will not be applying this charge because of the delay you have experienced.

I can confirm that we are now progressing with your request and Concetta is the allocated officer dealing with matters. I have also raised matters with Concetta today and she is currently reviewing your case and will be contacting you directly. I have also copied Concetta into this email for reference.

I hope this helps to clarify matters further and we thank you for your patience during this time.

Kind regards

Dear Dionne Grant

I requested this as said on the 24/11/2016 and i did not get a reply about the ID that was needed until the 21/12/2016, I wrote back on the 22/12/2016 asking about the ID due to what was written in the email from Concetta, but before this Daniel Ellis repeatedly asked for contract to be made with me about my request as he was over seeing my complaint. As said above this did not happen until the 21/12/2016.

I do not understand why I will need to wait longer for my request when it was not down to me as to the delay.

Regards

Lorraine Cordell

Thank you for your further email Ms Cordell.

We cannot progress a subject access request without first verifying the identity of a requestor so the response timescale does not start until we receive all necessary documentation which includes proof of ID.

I understand that you would urgently like to receive the information and we will provide this to you as soon as possible. When Concetta returns, I will be requesting a specific update on your case to check progress on matters and get a better understanding of the timescale for your response so please be assured this will be looked into further and we will come back to you shortly.

Dear Concetta Nobile

Thank you, for the update and information you will need I have my driving licence but since 08 June 2015 the paper part is no longer needed so I do not have this so do not have both parts only the card.

I have bills to show my address dated within the last 3 months so that should not be a problem.

As for the information I have asked for it is all the information that is held by Enfield Council within all departments.

This would not be limited to just things that I have put in this would also include any data that the police have passed to Enfield Council about me. Any meetings that were held with police and any other body and Enfield Council about me. and any other government body that has passed information to Enfield Council about myself.

The minutes from the meeting that was held about me by Enfield council on the 15/12/2016 with regard to the formal complaints that was put in. I did request minutes were taken when I was told I could not attend.

Any phone calls made by myself or my mother on my behalf to Enfield Council

All that were put in for Enfield Council to address this would include all comments made on any such report such as i have removed all my piping for my heating system.

All my housing benefit and anything to do with my rent account and council Tax.

Any complaints that have been put in about me this would include any neighbours or police or any other body that Enfield Council has received about me, I do understand that some sections names would need to have redaction added for names and addresses but the date and body of the complaint should be kept. and if it a governing body such as the police names or IDs should not need redaction.

If Enfield Council has any data I want this subject access request to cover this data and if any data is going to be with held I would like to know this and the reason why it is being with held.

As for dates this request would go back as far as possible with any data Enfield Council holds within all departments being released.

If you could get back to me about the ID I would be grateful and get this emailed across to you so that this can be dealt with.

Regards

Simon Cordell
