Dear Ms Cordell,

Thank you for your email.

I will put the complaints in the format you have requested and emailed same to you by Friday 10 February 2017 and a copy will be sent to Mr Cordell's address. I will also schedule another appointment as we need to discuss these allegations with Mr Cordell.

In the meant time, we are continuing to receive reports from the residents of 117 Burncroft Avenue that Mr Cordell is coming up to their front door to shout abuse and threaten them. Could you please ask Mr Cordell to refrain from doing this. He should contact his neighbourhood officer, the Anti-Social Behaviour Team or the Enfield Council noise team if he has any complaints about noise disturbances or any other type of anti-social behaviour against his neighbours instead of confronting them. If the behaviour persists then the council will have no option but to take out an injunction against him to stop him from harassing his neighbours.

Kind Regards

Dear Lemmy Nwabuisi

I am writing this email to say you have stated in your last letter the subject access request has been dealt with, but we are still waiting for the data.

I have asked for the dates these complaints was put in and yet have had nothing about the dates and times.

Could you please forward me a list of dates and times these complaint was put in, and list them in an order like this so we know if more complaints have been put in by one person.

Complaint from A on date and Time: Body of complaint from A.

Complaint from B on date and Time: Body of complaint from B.
Complaint from C on date and time: Body of complaint From C

And it can carry on like this until all complaints are listed. As at this time you have just listed complaints, and failed to supply any other information.

If I can get this back today I would be most grateful, as it has been asked for before.

Also we have said this before more than once on calls and emails, the person's living at 113 and 117 I believe which is the 2 people living on top of my son, 113 has since he moved in no carpet put down and also his floor boards needs fixing, 117 which is the top floor has laid wooden flooring, due to the way these flats have no sound proofing in between floors and only wooden flooring due to how they were built, we were thinking this would have already been addressed and has not and the neighbours have been allowed to keep the flooring the way it is, my son can hear everything and only feels nothing has been done as Enfield Council wants my son health to get worse and also to make him suffer.

As for the date of the 09/02/2017 as stated before until we have had all dates and times and body of complaints and the subject access request, I still do not feel it is justified my son has a meeting as he will be walking into a meeting only with very limited information, and due to his health which is being caused by his neighbours and Enfield Council doing nothing I feel my son is only being setup due to issues and the colour of my son's skin. And this is why no one from Enfield council has ever taken a report from him about what has been ongoing for a long time ago.

We want to clear this up as much as you do, but it seems Enfield Council is not fulfilling what we have asked for in order to be able to do this.

Regards

Lorraine Cordell

Dear Miss Cordell,

Please find attached letter to Mr Cordell regarding ongoing reports of anti-social behaviour, verbal abuse and threatening behaviour made against him by his neighbours. It is very important that we meet with Mr Cordell to discuss these allegations and agree on the best way to resolve them.

I have also attached a copy of my letter to Mr Cordell dated 29th December 2016 regarding allegations of anti-social behaviour made against him by his neighbours. Copies of both letters will be sent to Mr Cordell's address.

Kind Regards
