Dear Ebony Ward

Thank you for the email and re-sending the last document again to me.

But I have a very big issue there is hardly any data I have asked for in the 3 documents that you have sent, there is nothing from ASB Team, Legal services, no complaint details, no emails from anyone, no information regarding meeting that have been held about my son yet we know meetings have been held, nothing really from the mental health teams where data has been requested from Enfield Council. the list can go on and on, yet I know that the information is being held on Enfield councils systems, in fact there should be a great deal of data that all seems to me missing from the documents you have sent me.

If you look at our request you will see if does cover what I have asked for yet none of the data has been sent.

If Enfield Council is withholding data for some reason could we please be told the reason and why it is being withheld?

Can this please be addressed as soon as possible as we need all information that is being held on Enfield Councils systems across all departments relating to my son.

Regards

Lorraine Cordell
