Good afternoon

A consent order in this case will say that the Councils case is dismissed. You will have a copy of this in advance.

I have just spoken to your son on the phone and had to terminate the call due to him shouting. Your son has said he refuses to agree to the Councils offer and as he is the client I will follow through with this.

Kind regards

**Subject:** RE: Your Son' Case - Withdrawal of the Case

Dear Ronak

Can you please explain what a consent order is and what will be in this consent order, and can we be supplied a copy of it before it goes to the court?

My son is really unhappy regarding the way in which he has been treated by Enfield Council and the lies in which they have told about him and the way in which they have made him suffered and the fact that they could just start this backup at any time they want.

He said it seems funny that the neighbours that caused all these issues and put in all the complaints and Enfield Council believed 100% without once looking or seeing any evidence my son had and we offered that many times but no Enfield Council just did what they wanted and my son was suffering badly and had to deal with 4 cases against him which Enfield Council took. It seems funny now that the neighbours got what they wanted and was moved now Enfield Council does not have any complaints to still want to take this to court.

Could it be maybe that Enfield Council can't get them to come to court as witnesses now they have got what they want. My son does not feel safe in that flat the court ordered them to move my son on the 09/08/2019 yet Enfield Council done nothing and left him to suffer and my son is still there.

Seems Enfield Council can just get away with what they have done to my son, start a case when they want to and end it will they want to is there a way that it can be asked at court that Enfield Council can not bring a new case with the same information in it as what's in it now they have put the same information in 3 court cases and I believe they should not be allowed to be able to use it again and again whenever they want.

My son feels he should just go to court and have this dealt with once and for all, but that could lead to my son losing his home and that should not be allowed.

Regards

Lorraine

Dear Ms Cordell

I trust you are well.

I have good news in that the Council have decided to not pursue the case further due to a lack of recent incidents. Please see attached their letter received recently and our letter dated 22 October 2019 sent to your son.

Please speak to your son and get back to me with any questions.

Kind regards
