Dear Lemmy Nwabuisi

I have enclosed 2 letters that could help to show my son wont leave his flat he had a DWP assessment and a letter had to be written to his GP to ask if the GP could write a letter to get a home assessment please see both letters.
It will also be noted on his file under the mental heath team he won't leave his flat.

And I can not understand how you said on the phone today that you knew nothing on my son's health, as clearly it is in the limited subject access request I got from Enfield Council under the ASB teams information as you requested if he was known to the mental health team.

Information you have asked for please see below:

Barnet, Enfield and Haringey Mental Health NHS Trust

The doctors name he was under when he was sectioned in August 2016, Dr Julia Cranitch, Haringey Assessment Ward, St Ann's Hospital.

When he left hospital he was under the Home treatment team support and referral to community team.

Early Intervention:

Goodie Adama: Locum CMHN

Locum Community Mental Health Nurse
Early Intervention for Psychosis
Lucas House 305-309 Fore Street London. N9

As stated on the phone I have many emails to backup that complaints was put in on behalf of my son regarding what the neighbours was doing, well before any complaints was put in by the neighbours, yet nothing was done by Enfield Council, each email even states the neighbours was not letting him sleep and this was having a large impact on his health, this is what has upset me so much, as phone calls was being made emails sent, even my son was making calls, but you seem to have nothing of anything that was submitted so where has it all gone, please can you look into this and get back to me as I really do not understand how so much can be missing from Enfield Councils systems?

I am grateful that you called me back today and we were able to speak, sorry if I sounded loader on the phone but since the operation as I said my voice and throat are very sore, I believe due to the tube they put down their when they were doing the 2nd operation.

I am grateful that you will deal with this and you cancelled tomorrows meeting when we spoke, and you seemed to have some idea of what was going on which you seem to have not known before, I will await a reply from you as to how we can deal with this.

Regards

Lorraine Cordell

Dear Ms Cordell,

Thanks for your email.

I sorry to hear learn that you have been unwell, I wish you speedy recovery.

The first letter I wrote to Mr Cordell was dated 29 November 2016 and not 29 December so apologies for the mistake and the first meeting was 6 December 2016 and not 6 January 2017 as you stated in your email below.

I am not aware that Mr Cordell is unable to leave his flat due to health reasons as he has not provided us with a letter from his Doctor to support this claim. Also when Mr Cordell telephoned me on 17 February 2017 following my letter to him dated 16 February 2017, he informed me that he will not come to the Civic Centre or the council offices in Edmonton Green because there are gang members looking for him in these areas. I cannot recall him saying anything about him not being able to leave his flat due to health reasons. Also Mr Cordell chased my car down the road when I went to deliver my last letter to his flat on 17 March 2017, this is not the attitude of someone who cannot leave his flat for health reasons.

I am inviting Mr Cordell to a formal meeting to discuss the allegations made against him and due to the serious nature of the allegations, the meeting will have be held in the council offices with a minute taker present. However if Mr Cordell presents a letter from his doctor stating that he is unable to leave his flat for health reason, then we can discuss an alternative venue. I am happy for Mr Cordell to bring someone with him to the meeting.

18/03/2017

Dear Lemmy Nwabuisi

I'd like to apologise for the late reply to this email, I've just come out of hospital after undergoing two operations and only got released from hospital late on the 17 March 2017.

You stated in your letter to Mr Cordell, that the first letter you wrote was dated 29 December 2016, and that you set a meeting for 6 December 2016 this is incorrect, as the date for the meeting was set for 6 January 2017, yes this meeting was cancelled, you've then stated you wrote a letter on 31 January 2017 to arrange a meeting for 9 February 2017, this meeting was also cancelled, the reason these two meetings were cancelled was due to the ongoing complaint that was being addressed by Enfield council that still needs addressing but due to the data that came back from the subject access request and it not being completed properly this letter still needs to be reply to, there was also a subject access request that was put in to Enfield Council that we was waiting to be addressed and to receive the data back which as you are aware did take a considerable amount of time, and also the complaint also was delayed in a reply. As stated to you via email we felt it was unjustified to hold a meeting when there was an ongoing complaint, and a subject access request that we was waiting for, as you are aware there are still issues regarding the subject access request, which does need to be addressed.

You then stated that she wrote again on 16 February 2017 and arranged a meeting for 22 February 2017 which was also cancelled, but you was also notified there was still issues with the subject access request, and that I had a meeting regarding the issues which was

set for the 9 March 2017, I stated to you that I would get back to you with a convenient date for the meeting to take place, but due to illness things have got delayed.

You have also stated that it is very unfortunate that there have been repeated refusals to meet in regards to the issues with the neighbours, I feel that this is very misleading we have not refused once to have a meeting with you, but due to ongoing issues meetings have had to be cancelled with a justified reason, so how you can take this as a refusal is beyond me, we have kept you informed at every stage of every letter that you send out giving you reasons as to why the meetings could not take place. Therefore I do not understand how you can interpret this as a refusal.

You will also be aware that my son does have health problems and that he does not leave his flat, not once have you thought in all the letters that you sent out how someone that does not leave his flat is going to be able to attend a meeting at the Civic Centre, therefore I am asking for the meeting to take place at Mr Cordell's home address, due to Mr Cordell's health, arrangements will need to be made that someone is at the meeting with Mr Cordell, and under no circumstances will Mr Cordell be addressing the issues while he is on his own.

You have also stated that if Mr Cordell does not attend or set a new date that you will be putting an application seeking possession of his home, it seems that Enfield Council have already made their mind up that Mr Cordell is guilty of what has been alleged in the complaints, you also state that if any further allegations are made against Mr Cordell that you can take legal action, since your last update with the dates has there been any more allegations against Mr Cordell?

Next week I have a number of hospital appointments so it will really be hard to do the 22 March 2017, if you could get back to me with some dates that the meeting can take place at Mr Cordell's home address I would be most grateful. or if there is any problem with this please let me know.

Regards

Miss L Cordell

Dear Lemmy Nwabuisi

I will get back to you with a date.

But I am very upset at what is on file within the subject access request it seems as if you put everything onto Mr Cordell and large amounts of data is missing.

Like the information about Deborah Andrews this is incorrect, and the only reason we have found out about this is due to the subject access request.

But there are lots of emails that are missing that I sent about Deborah Andrews and what the neighbours were doing, that are dated before any complaints went in from Deborah Andrews and the neighbours. yet nothing was done for Mr Cordell about this.

Also there is missing dates and times of complaints, as to when things was meant to have happened and what time they were meant to have happened why?

I do have many issues, with the report and why no emails are in the subject access request that was put in by me that are dated well before the neighbours put complaints in yet Enfield Council done nothing about this, There is also no phone calls I made or my son made, but as soon as the neighbours put complaints in these were taken up right away by Enfield Council.

I will get back to you with a date I am due to see someone on the 09/03/2017 when I will be showing them all the information. So it will need to be after this date. Dionne Grant has also got until the 02/03/2017 to deal with the subject access request and if i have not heard anything by this date i will pass this on to the ICO.

He alleged that Mr Cordell called his wife 'a bitch' and tried to stop him from going up the stairs to his flat. He alleged that the previous day on 4/10/16, Simon was banging on his ceiling and later came upstairs and started kicking his door and shouting aggressively. He alleged that Simon then went downstairs dragged his motorbike from where he parked it and started smashing it up. He then called the police. Dear Lemmy Nwabuisi

I am writing this email to say you have stated in your last letter the subject access request has been dealt with, but we are still waiting for the data.

I have asked for the dates these complaints was put in and yet have had nothing about the dates and times.

Could you please forward me a list of dates and times these complaint was put in, and list them in an order like this so we know if more complaints have been put in by one person.

Complaint from A on date and Time: Body of complaint from A.
Complaint from B on date and Time: Body of complaint from B.
Complaint from C on date and time: Body of complaint From C

And it can carry on like this until all complaints are listed. As at this time you have just listed complaints, and failed to supply any other information.

If I can get this back today I would be most grateful, as it has been asked for before.

Also we have said this before more than once on calls and emails, the person's living at 113 and 117 I believe which is the 2 people living on top of my son, 113 has since he moved in no carpet put down and also his floor boards needs fixing, 117 which is the top floor has laid wooden flooring, due to the way these flats have no sound proofing in between floors and only wooden flooring due to how they were built, we were thinking this would have already been addressed and has not and the neighbours have been allowed to keep the flooring the way it is, my son can hear everything and only feels nothing has been done as Enfield Council wants my son health to get worse and also to make him suffer.

As for the date of the 09/02/2017 as stated before until we have had all dates and times and body of complaints and the subject access request, I still do not feel it is justified my son has a meeting as he will be walking into a meeting only with very limited information, and due to his health which is being caused by his neighbours and Enfield Council doing nothing I feel my son is only being setup due to issues and the colour of my son's skin. And this is why no one from Enfield council has ever taken a report from him about what has been ongoing for a long time ago.

We want to clear this up as much as you do, but it seems Enfield Council is not fulfilling what we have asked for in order to be able to do this.

To Whom It May Concern:

I am writing this letter to ask if the doctor can write me a letter I have been given a DWP assessment which I have to attend and do not feel at this time if I can as I do not leave my flat.

I know that the mental health doctors and teams have been in contact with you about me. So was wondering if a letter can be written.

If this can be done can my mother Miss Lorraine Cordell pick it up for me as she is helping me at this time?

The above named 35 year old gentleman has a history of mental health problems in the form of psychosis. He has not been seen in the surgery for a while but he has been in contact with the local mental health team.

He has brought to my attention that he will be unable to attend a DWP assessment that was arranged for him.

I would be grateful if you could arrange a suitable alternative for his assessment.
