Hi Lorraine

Further to our telephone call I am returning the email that you forwarded to me. I will require the original receipt that I can photocopy. I assume that there are no issues re the catalogue links.

I will send over an amended defence case statement that Simon will have to sign before I can serve

Josephine

Hi josey

Really sorry I forgot yesterday after I helped Sheila out I was so tired.

Here is the information you need.

Also did you ask the police if you can have access to the building to take our own pictures?

Dear Simon / Lorraine

Can you please scan over to me the receipt and the links for the catalogue as referred to in the defence case statement in order that I can serve this document today.

I have discussed what happened with your case yesterday Simon and it is clear that there has been a total breakdown in the relationship between you and the instructed advocate. Michael has approved the immediate removal of your case from Mr Lemos's diary and I will instruct the Advocate who represented you for the bladed article case.
