Subject: RE: [1] Simon Cordell REG CX52JRX Claim Reference A27/2013/190530 Good afternoon

Many thanks for the V5 now received, however the details therein do not tally with the insurance nor the sales and purchase receipts submitted by the policyholder as such we are at this time unable to close the file.

We will however pass the evidence to hand onto the third party and request confirmation that they will redirect their claim, failing which we will insist that they obtain judgement on the driver of the vehicle at the time of the alleged incident.

As the vehicle was never removed from the policy and the DVLA history does not tie in with the purchase/sales history submitted we are left with a possible involvement as the RTA Insurer which remains a contentious issue, as the V5 shows the owner from 06.02.2012 to 15.02.2014 as Adam Harris, with the inception of this insurance policy being 23.02.2013 for the vehicle and our mutual client/policyholder.

We trust the above is of assistance.
