Hi josey

Here is the email that has been sent to me today from the council. Please also see the attached files that were served on the occupiers of the building before Simon went there on the 04/05/2013, as you will see the council are saying that the police did not give them the information on the 01/05/2013 and cannot give us the details of the person or persons that did give them the information.

But you will also note that the council did pass the information onto the police.

Also could we get an update on as to what has been going on have the CPS sent the pictures yet of Feb 2013, also have they sent anything over from the council.

Also when is this going to be listed for court if you have not had any information from the CPS, and just an update to anything else that has gone on with Simon Case.

Lorraine

Southwark Council - Information request

Our reference: 385573

Dear Mr Cordell,

Re: Your request for information: 385573

I am writing further to your request for information dated 27 March 2014 to advise you that we have now completed our search for the information you requested:

Thank you for the below email with the data I asked for in a freedom information act.

I can see there is information for the request I put in but was wondering if there was anyway I could get some more information to some of the data you have sent me.

You say in the information that "on 1 May 2013 the Noise & Nuisance Team received information regarding a potential rave which would allegedly be held on the night of the 4 May 2013."

Is there anyway we could get the information as to the person or persons that give the information regarding a potential rave and what time this information was received?

Was it the police that informed you of this information of the potential rave which would allegedly be held on the night of the 4 May 2013, if it was could we get the name of the police officers who passed this information to the Noise and Nuisance Team?

Can you also tell us if it was not the police that gave the above information did the Noise and
