To Whom It May Concern:

I am writing this email due to needing some information about my Son. I have written a large amount of emails and also contacted many people but cannot find a way to get my sons PNC record corrected. One case we have known about for some time and was told it would be correct but it never has.

We have his PNC record from the police case that he was found not guilty for in 2014.

The problem is when looking over his PNC record I saw more errors so contacted the courts.

I have the memorandum of conviction, which does show the case was dismissed but on the PNC it says he was found guilty of this offence.

I have also contacted one other court about a number of records on his PNC that did not seem correct, it took them around 6 weeks to check, as they have to recheck a few times to make sure.

However, they also seem very confused as 5 cases they do not have any records for the cases every been heard at the court, that are on my sons PNC record. Also not all the records was checked as when I sent over the list to be checked there was a few dates missed out of my email to the courts to the persons that was doing the checks.

I still have to check other records with other courts but this is a great concern, and these mistakes needs to be addressed I just cannot find the right people to go to that can address these matters.

I have been to the police and the 2 courts have been told of these errors yet they do nothing and these records are still on my sons record which are having a great effect on his life. These records go back to around 1997 to 2009. And as said above I have not done a full check with the courts on all the records that are on the PCN, as I know other things are wrong.

My son feels he has suffered due too these errors re bail and the court looking at these records when he has been in front of the courts.

Please if this email has not gone to the correct place as I found this email on google could you please help me and tell me where I would need to go to get something like this addressed.

This email is private.
