

KGM, I will be addressing this with the Information Commissioner's Office as I do not see any reason you would have to stop the information I have asked for under this act to prove I was not in fact guilty of no insurance.

And now say to deal with this you need information from me. I can understand you want the information for the complaint that has been put in, but not the information I asked for to show I was in fact I was insured for an appeal that is ongoing. And in fact would not have been ongoing if the Subject access request under the Data Protection Act 1998 as I would not have been found guilty.

I would like the data sent to the court as soon as possible in regards to this so they can look at the facts and see if fact I was insured so there should be no need for the appeal to go ahead with more of my time wasted going to court.

Regards

Simon Cordell
