Dear Ned Johnson

Thank you for the reply to the freedom of information act I put in.

I do however believe there is a lot of data that has been left out, so maybe I need to clarify the data that is being requested.

- To information is regarding Disused or abandoned buildings or any industrial estates buildings or open air land. For the dates all of 2013 to date.
- This would include all data if there were occupiers/squatters in said building/parties/raves. This would include the dates these buildings/Disused or abandoned buildings/ or any industrial estates was first known to the Environment & Street Scene Department.
- All information would cover all wards boundaries for Enfield Council.

Information is also needed for some areas within the Enfield Council borough.

- Within the area of Pretoria Road N.
- Within the area of A406.
- Within the area of Montagu Road.
- Within the area of Meridian Way.
- Within the area of Ponders End Train Station.
- Within the area of Woodall Road.
- Within the area of Wharf Road.
- Within the area of Millmarsh Lane.
- Within the area of A10 Great Cambridge Road.
- Within the area of Crown Road.
- Within the area of Southbury Road.

The information would cover if police were in attendance, if calls were made to the Environment & Street Scene Department by police, and any police officer information that the Environment & Street Scene Department holds about any police officer.

This information would also include any calls that were made from the Environment & Street Scene Department to police in relation to any Disused or abandoned buildings or any industrial estates buildings or open air land that the Environment & Street Scene Department felt could have a problem with.

There is also an issue with the information in your email
