Points – 6

South East London Magistrates' Court

Bromley Magistrates' Court

London Road

Bromley

Kent BR1 1RQ

Telephone no - 020 8437 3500

Hope this information is of help to you

**Tracey Bullock**

Administrative Officer

Court Casework1 D9 | DVLA | Swansea | SA99 1AY

Now I got very upset as I new I had filed the statutory declaration for this case and seeing the conviction date this was clearly wrong as I had filed the statutory declaration after this date. I made a call to the court and was told that the statutory declaration filed in error and was closed, so was never reopened. The lady I spoke to said she was going to get the file out and get the right person to call me, but give me an update call just to let me know it had been done.

I then got a call from a lady called Donna and while on the phone to her the other lady called me from the court to say it had been done. I told her I was on the phone to Donna and she told me that is who I needed to speak to.

I was shocked to hear the lady say to me that the case was heard on the 18/12/2014 and I was found guilty again as I did not turn up, but I have had no letters so how was I meant to show up when I did not know I needed to. But this cannot be right as looking at the information DVLA hold it is the old information to the 1st hearing, as far as I have been told by the court when a statutory declaration is filed the court would have to contact DVLA and remove the old conviction they had on file this has not been done by the court. so how could the case have been heard on the 18/12/2014. something is really not right here at all as it is all the old information that DVLA have on file which should have been removed when the statutory declaration was filed on the 02/12/2014.

I would like this case looked into and set aside and it to be reopened.

I would also like the summons sent to me for this case that was meant to have been sent out to me which I have never had and the letter of a hearing for the 18/12/2014 could this please be sent via email to this email address.
